PARKING PERMIT INFORMATION - WILL BE INCLUDED IN REGISTRATION MATERIALS

Future Seniors (**Class of 2018**) interested in every day parking on campus during 2017-18 **MUST** turn in their parking permit application (pink sheet) and have their registration fees paid by the deadline of July 18, 2017. If there are more applications received than available spaces, a lottery will be used to determine who has the opportunity to park every day.

Seniors who will be issued an every day hang tag will receive an e-mail prior to Materials Pick-up days. Seniors who do not get an every day tag may have the option to purchase two hang tags for the Driver's Ed Range (Odd/Even) after the start of school for the price of two Range tags.

Future Juniors (**Class of 2019**) will have the opportunity to purchase an Odd or Even hang tag for the Driver's Ed Range. Juniors need to turn in their parking permit application (pink sheet) and pay their registration fees by the deadline of July 18, 2017 prior to receiving their hang tag at Materials Pick-up.

Saints - Parking on campus is a privilege that may be revoked for a variety of violations. Parking violation consequences will range from warnings, AMAs, PMAs, Saturday School, Permit suspensions, loss of Permit and/or having your vehicle towed at your expense. Consequences will be based on the severity and/or frequency of the violation. Parking guidelines will be clearly communicated on the back of the parking permit application (pink sheet) and given to students when they pick up their hang tag at Materials Pick-up. Students and parents are responsible for signing and understanding all parking expectations.
