“Sometimes the questions are complicated and the answers are simple.”. *Dr. Seuss*

Welcome to 2017/18 AVID families!

Once again we are a growing AVID family from 115 students last year to almost 190 to start this year! We are very excited and well on our way to another fantastic year in AVID.

Mr. Harter’s Freshmen learning how to work with each other effectively during Tutorial.

WHAT’S UP?

Freshmen have been working on AVID foundational procedures. Mr. Michael Harter has joined our team as our AVID 9 teacher.

Sophomores have been working more on focused note taking in class and re-visiting their notes at home.

Juniors have been working on SAT prep and will be entering their PSAT scores into Khan Academy to focus on areas of need.

Seniors have been working on FAFSA and college applications. They are starting to realize that this college stuff is for real!

Mr. Gagliardi’s Sophomores working hard at the Elective Fair on PSAT day.

Mrs. Myers’ Juniors mastering Tutorial in their new room – Mobile #3

Mrs. Truax’s Seniors work weekly with Mrs. Fahey on college applications.
